

■ Minister's Message

Welcome to the 2021-2022 edition of the Seniors Card Directory.

Our Government is proud to support older Tasmanians to live healthy, happy and more active lives. The Seniors Card Directory, which is available online and in hardcopy, is one way that the Government is helping to create a Tasmania that is the best place to live, work, invest and actively take part in community life, as we grow older.

Of course this year is different, and the Tasmanian Government's number one priority is to keep Tasmanians safe and secure during the coronavirus pandemic. We know the impacts of coronavirus will be with us for some time, and it's important we continue to balance the health and safety of Tasmanians by having in place appropriate restrictions to maintain distancing, while also taking steps to reboot our economy, grow business confidence, create opportunity for investment and generate jobs.

Supporting Tasmanian businesses is more important than ever, and the new Seniors Card Directory is full of opportunities for older Tasmanians to shop, dine, travel and be entertained as well as providing special offers to save on all sorts of services from automotive and household needs through to health and financial services.

I would like to acknowledge the generosity and support of local and interstate businesses that feature in this Directory for supporting more than 116 000 Tasmanian Seniors Card holders. Their commitment to older Tasmanians is vital to the success and longevity of the Seniors Card Program. In return, the Seniors Card Directory will continue to support small businesses through COVID-19 and into the future.

I trust you will enjoy exploring the new edition of the Seniors Card Directory and make use of the many benefits it has to offer.
