

FACT SHEET

The Housing Connect System

Housing Connect is where people go for housing assistance and support. It provides one assessment for everything from emergency accommodation to a long term home.

What assistance does Housing Connect provide?

Housing Connect helps low income Tasmanians, including people who are homeless or at risk of homelessness, to find or maintain appropriate and affordable homes.

Through Housing Connect people can apply for affordable private rentals, social housing and supported accommodation, or they can be safely housed during a time of crisis. Housing Connect can also provide people with housing related support and information, advice, and referral to other support services available to them in Tasmania.

Who provides Housing Connect services?

Front Door services

Front Door services are provided by two lead organisations; Colony 47 in the South and Anglicare in the North and North West. Front Door services provide the first point of contact for Tasmanians requiring housing and housing related support. They provide immediate assistance, assessment and referral for people who need help with housing or who are homeless.

Front Door staff identify and prioritise peoples' housing needs and provide information about their housing options and choices. Front Door staff connect eligible Tasmanians to appropriate housing assistance and services including:

- Affordable Private Rentals
- Social housing
- Supported accommodation
- Crisis and Transitional Accommodation
- Material assistance
- After-hours assistance
- Housing Support services.

Front Door services connect people to the service they need. They do not directly house people.

Housing Support services

Housing Support services provide support to Tasmanians who need more intensive help to access or maintain housing. Sometimes, this might involve connecting people with other specialist services. Housing Support is available for as long as needed, regardless of whether the person moves house.

Housing Support services are only accessed via referral from a Housing Connect Front Door service.

Housing Support services are provided by six organisations – Anglicare (statewide), CatholicCare (statewide), Colony 47 (south), Hobart City Mission (south), Salvation Army (south), and Wyndarra Centre (Circular Head).

Crisis and Transitional Accommodation services

Crisis and Transitional Accommodation services provide emergency accommodation to Tasmanians who are in housing crisis (homeless or at high risk of homelessness).

Crisis and Transitional Accommodation services can be accessed directly or via referral.

Crisis and Transitional Accommodation services provide short term accommodation, support and assistance to address a person's immediate needs. They work with Housing Support services to help people find safe, longer term accommodation that suits their needs.

A list of Crisis and Transitional Accommodation Services is provided below:

Target Group	South	North	North West
