

National / International Sport Championships Grants Program 2021-22

Guidelines

National / International Sport Championships Grants Program 2021-22

Communities, Sport and Recreation (CSR) administers a range of Tasmanian Government grant programs that aim to improve opportunities for Tasmanians to participate in sport and active recreation. For information about the goals of CSR and to find examples of previous grants, please visit www.communities.tas.gov.au/csr

About the Program

The **National / International Sport Championships Grants Program** (the Program) provides grants to eligible organisations to assist in meeting costs associated with hosting a national or international sport championship event within Tasmania.

The Program aims to promote and develop sport by encouraging national and international level sport championships in Tasmania.

What is a National or International Sport Championship?

To be eligible for funding, a national or international sport championship event must be:

- a national competition between a minimum of four states and/or territories or an international competition between a minimum of three countries;
- a competition recognised as a national/international sport championship by the relevant national/international organisation; and
- an event where one or more national/international champions are declared, or national points are awarded.

Who can apply?

To be eligible for funding, the organisation conducting the national or international sport championship event must be:

- the Tasmanian state sporting organisation taking responsibility for the administration and development of a sport in Tasmania and affiliated with the relevant Sport Australia (Australian Sports Commission) recognised national sporting organisation;
- or
- a Sport Australia (Australian Sports Commission) recognised national sporting organisation operating under a unitary model of governance responsible for delivering the sport in Tasmania;
- or
- be accepted by CSR as the state sporting organisation taking responsibility for the administration and development of a sport in Tasmania, where:
 - a national sporting organisation does not exist; or is not recognised by Sport Australia (Australian Sports Commission);
 - is not competing with or offering sporting opportunities already provided by Sport Australia (Australian Sports Commission) recognised sport;
- and is an incorporated, not-for-profit organisation or a non-profit company registered under company law.

What will not be considered for funding?

The following will not be considered for funding:

- Championship events for juniors aged 12 years and under;
- State championships;
- Championship events that have commenced prior to the lodgement of the application;
- Championship events held outside Tasmania;
- Championship events that are held outside the event funding period of 16 August 2021 until 30 November 2022*;
- Attendance at state, national or international championships; and
- National league competitions.

Funding available

A total of \$55 000 will be available for allocation in 2021-22. As limited funding is available, organisations will be funded on a 'first-in' basis.

A maximum of \$6 000 is available per organisation and per sport during 2021-22. Where a sport, as defined by the Australian Sports Commission, has one national sporting organisation but multiple disciplines/organisations, the total amount of funding available to that sport will be limited to \$6 000.

A national or international championship 'series' consists of a number of stages (or mini-events) held across a number of locations where the same teams or individuals compete, and a champion is declared through the accumulation of points.

Events where two or more championships are awarded, such as men's and women's, juniors and seniors, multi-disciplines, are considered one event.

Funding limits are detailed below:

- \$1 000 for championship events held on a single day or for one or more stage(s) of a national or international championship series; and
- \$3 000 for one championship event held over two or more consecutive days.

* CSR reserves the right to allocate funding to championship events which are later than 30 November 2022.

Important Information around COVID19

All applicants funded under this Grants Program must comply with any COVID-19 requirements and restrictions for events in place at the time of their event, including the Tasmanian Government's *A Framework for COVID-19 Safe Events and Activities in Tasmania*.

Important dates

Program opens:	16 August 2021
Program closes:	13 May 2022 or when program funds are exhausted
Outcomes advised:	Within six weeks of lodging an application
Event funding period:	Championship event must be held between 16 August 2021 and 30 November 2022

How do I apply?

1. Complete, sign and date the Application Form.
2. Attach a copy of a letter from the national sporting organisation or a letter from the international sporting organisation verifying that the event is a national or international championship and that it will be held in Tasmania.
3. Attach a copy of your certificate of currency for public liability or a statement from your president (or equivalent) stating that your organisation has adequate insurance cover for the event.
4. If your organisation is exempt from requiring an ABN, please complete and attach a Statement by a Supplier, which can be obtained from the Australian Tax Office website at www.ato.gov.au
5. Email your signed application form and scanned attachments to: csrgrants.applications@communities.tas.gov.au

Alternatively, post your application and attachments to:

National / International Sport Championships Grants Program 2021-22
Communities, Sport and Recreation
Department of Communities Tasmania
GPO Box 65
HOBART TAS 7001

If you have provided an email contact, you will receive an email reply confirming the application has been received.
