

Organisations and Projects Funding Under the 2012-2013 Community Support Levely Charitable Organisations Small Grants Program

The Community Support Levy is derived from profits of gaming machines in hotels and clubs and is held in trust by the Department of Treasury and Finance. The Grants are administered through the Gambling Support Program within the Department of Health and Human Services.

The 2012-2013 CSL Charitable Organisations Small Grants Round offered grants of up to \$10 000 (including GST) for projects and activities to further the aims and objectives of the applicant organisation and maximise the well-being of vulnerable groups. The successful applicants are listed below.
