

APPENDIX B – PROJECT EVALUATION SHEET PROFORMA

Community Support Levy Charitable Organisations Grants Programs – 2006/2007

The “Child Care Sensory and Community Garden” project as set out in the Grant Funding Agreement is now complete. The benefits to the community of the project are described in a short summary below.

Please provide dot points 50 words or less.

Provide information about your organisation and about the aim of the project.	<ul style="list-style-type: none"> - MRC CCC is a centre which incorporates Migrant families of varying cultures - The aim of the project was to provide a common ground for families and the community to enjoy and learn about Australian gardens and vegetables which is child focussed
Describe the project’s target group or target community.	<ul style="list-style-type: none"> - Migrant families – parents - TAFE students - Community Groups – correctional services, garden maintenance
How do you know if the project made a difference or change?	<ul style="list-style-type: none"> - Extra area for the children of the centre to run and play - Unfortunately due to lack of funds a vegetable garden was unable to be developed - Thus the garden remains unfinished.
How did the target community get involved?	<ul style="list-style-type: none"> - TAFE students helped with the initial development and labour. Unfortunately, they did not follow through with consequent projects for completion. - Parents of the centre's children helped to further the project to some degree
How can the target community continue to support or maintain the project’s results?	<ul style="list-style-type: none"> - Use the area for Xmas BBQs each year by the centre for further parent discussion and ideas for further growth - Develop the vegetable garden with parents and the community when more funds are available.
Do you have any suggestions about how the Grants Program can improve to better benefit the community?	No.
